

Our Modern Vintage Storage Box Set in Natural Pine
As seen in Giftware News

Above: Modern Vintage Storage Boxes, in light or dark wood, feature laser-etched vintage cheese box labels. These containers from Living Goods are perfect as a desk accessory for holding all types of stationery needs. (www.oreoriginals.com)

Acacia Creations' line of notebooks and pencils are fair trade and handmade in Thailand. The journals are made of sao paper (mulberry paper) and are eco-friendly. The pencils are handcrafted from fast-growing branches of local Thailand trees. (www.acacia creations.com)

Left: Madison Park opens up a whole world of communications with its Travel Journals. Beautifully detailed and featuring enticing graphics, plus plenty of room to record data and thoughts, these diaries are perfect for the globetrotter who wants to write beyond postcards.
